

## **Recess Coach**

As a Recess Coach, you'll help ensure we deliver high quality, fun, safe and interactive Recess programming that delights our participating school partners and the children attending our programs. You'll be instrumental in delivering our focus on the 4Cs – Character, Confidence, Creativity and Conditioning.

Our Right At School coaches model positive social interactions and sportsmanship through great games and sports. Our coaches are dedicated, enthusiastic, and well-trained to provide a safe and inclusive environment for play. They have experience managing groups of students, a passion for physical fitness, and a commitment to promoting social-emotional learning through play.

This is a part-time position working 10-15 hour per week (2-3 hours per day), typically between the hours of 10 am and 2 pm.

### **Roles and Responsibilities**

- Manages a group of up to 50 students per recess period
- Ensures the safety and security of all students during recess.
- Delivers the Right At School recess curriculum by engaging and playing games with students
- Administers first aid, when necessary
- Participates in ongoing professional development sessions over the course of the year

### **Requirements**

- Must love working with kids and demonstrate the necessary passion and dedication to successfully manage the Play Right program to Right At School standards
- 30 hours of college credit with 6 semester hours in child care/education or 1560 hours of experience working with school age children and 6 semester hours in child care/education preferred.
- Previous experience leading or instructing large groups of school-age children in organized activities preferred
- Playground management skills with the ability to use and model appropriate and positive discipline
- Demonstrated ability to build collaborative relationships and foster teamwork with school administration and other recess coaches
- Ability to adapt and respond to fluid and unexpected situations in a flexible, professional manner is key
- First Aid and CPR Certification, a plus
- Bilingual, a plus
- 100% dependability is a must!
