

RIGHT AT  
SCHOOL

Midland Independent School District

# Right At School & Midland Independent School District

Consistently implementing key program components, such as standards-based curriculum, homework support and teacher partnership, and Choice Clubs, allows Right At School to support the academic success of students, including the district's goals to increase K–2nd grade students reading levels and assist 3rd–8th grade students to meet STAAR reading and math standards by the end of the school year.

**\$50K**

Year-to-date revenue share to the district.

100+ students of Midland ISD employees attend RAS

# What Midland ISD Parents are saying...

“

“The whole program is a well-oiled machine. The staff are wonderful and the safety measures in place leave parents to not have to worry about our children.”

“The homework is helpful so the kids can enjoy themselves once at home.”

“RAS has been great for my son. The teachers are mentors to him and they keep him safe and on track with school, and just life in general.”

# Testimonials from Midland ISD Principals...

“As a 16 year veteran campus administrator, Right at School by far has been the most effective and excellent quality of them all.”

“I appreciate the availability and flexibility of both the RAS teacher and supervisor!”
