What **parents** are saying about Right At School..

"I enjoy the opportunity for my daughter to have a safe and fun place to engage other students, and to be social. The staff are very upbeat, we love that, it makes all the difference when the staff actually enjoy what they're doing. It shines through their work."

— PARENT, MESQUITE ISD, TX

"We have tried before/after school programs in the past (all around the country/world as we are military) and finally, with Right At School, we have utilized one where the staff does not discriminate."

— PARENT, ALAMO HEIGHTS ISD, TX

✖ What School & District **Leaders** are saying...

"Kids love the Disguised Learning™. The activities are genius. The extra support they get from the enrichment helps all of our students, from our regular education to special education. They don't realize they're learning something valuable, but they are."

— DR. KENNETH ROHRBACH, FORMER SUPERINTENDENT
MEDINA VALLEY ISD , TX

"We chose Right At School for the best enrichment opportunities that align with our educational program, provide flexibility for the parents, and reinforce what our community needs."

— DR. DAVID VROONLAND, SUPERINTENDENT,
