Did you know?

Right At School is the official after school provider of AASA and an inaugural member of their SEL Cohort.

What **parents** are saying about Right At School..

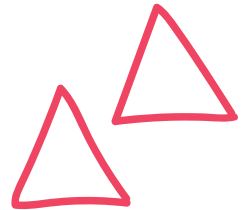

My daughter has really enjoyed attending Right At School before and after school. The staff has been so amazing and truly care for all the students in the program. I will definitely be signing her back up for next year!

— PARENT A., DES PLAINES, IL

Our son is almost always wants to stay and play when we pick him up at Right at School, which was never true for other after-school programs he's attended. He can't get enough!

— PARENT B., EVANSTON, IL

✗ What School & District **Leaders** are saying..

"The RAS staff have become a positive part of our school culture. They're child-centered, the program is just about 100% turnkey, and they have over-delivered from the very first day."

— SUPERINTENDENT A., WESTERN SPRINGS, IL

"Right At School is not a cookie-cutter program. We had the ability to customize based on the needs of our community, and Right At School delivered that for us."

— SUPERINTENDENT B., MUNDELEIN, IL
