# Why OST with Right At School?

The importance of out-of-school time is undeniable. Beyond regular school hours, this time offers students a chance to explore various interests, build social skills, and experience personal growth. Recognizing the significance of these extracurricular moments, we've put together this resource for reimagining your self-operated OST programs with Right At School.

This resource functions as a strategic compass, empowering districts like yours to navigate the possibilities of expanding into a full-service out-of-school time learning hub. By addressing the challenges of operating your own programs and highlighting untapped potential, we'll showcase how this transition can enhance the out-of-school time experience for your students and districts all year long!

# Addressing your self-op pain points

Managing self-operated OST programs can feel like a complex puzzle, where each piece presents a unique challenge. Here's how Right At School approaches your key pain points:

## ✓ ACCESS TO RESOURCES

We bolster our programs with vast resources in curriculum development, program design, enrollment marketing, and business management.

## ✓ STAFFING

We take staffing headaches off your plate by fully recruiting, staffing, and training — we even off jobs to your current staff before any one else.

## ✓ FAMILY ENGAGEMENT

We actively encourage family involvement with year-long program updates and an innovate mobile app that keeps parents in the know every day.

## ✓ ADAPTABILITY

We thrive on adaptability, seamlessly integrating with your school district's academic, social & enrichment goals.

## ✓ EQUITY & INCLUSION

We prioritize equity and inclusion, ensuring our programs cater to diverse needs and backgrounds, fostering an inclusive environment.

## ✓ 365-DAY CONTINUITY

We provide seamless continuity between break and summer, offering year-round programs with year-round staff members.

## THERE'S AN ELECTIVE FOR THAT!

Here's a small sample of the Electives   
courses that we offer!

### ART ADVENTURES

Children learn about famous artists such as Georgia O' Keeffe, Henri Matisse, and Eric Joyner as they make wonderful creations each week using a variety of artistic mediums.

### CHESS SCHOLARS

Develop your child's intellect through the royal game of chess! Studies suggest that chess can enhance children's motivation, concentration, focus, social skills, and creativity.

### KUNG FU

Traditional Chinese Martial Arts for all ages! Develop your students' confidence, focus, and discipline while gaining strength, agility, and flexibility.

### JAZZ & HIP-HOP DANCE

Students will enjoy this upbeat, fast-paced class learning funky moves to their favorite songs as well as classic, high-energy jazz dances!

### COOL'INARY COOKING CLUB

Students will prepare and eat healthy, globally-inspired recipes all while learning to cook in a fun, engaging, and real-world way!

### MINECRAFT ARCHITECTURE

Using Minecraft as a CAD tool, our next generation architects learn about architecture from medieval to modern styles, all while building their own dream structures!

# WHAT PEOPLE ARE SAYING ABOUT RIGHT AT SCHOOL...

“ I can recommend Right At School to you without reservation. They have demonstrated in a very short time to be flexible, transparent and student centered offering a real-time vantage point into the challenges we face each and every day to improve student achievement by providing an engaging and healthy after care program.

— **JOE ANNIBALE, ASSISTANT SUPERINTENDENT**  
Hazlet Township School District, NJ

Friendships all year long!

“ In a district of our size, we don't have the resources to dedicate a person or a team to handle activities before and after school. Right At School handles all of that for us, so we don't have to worry about finding and hiring people, or creating a curriculum, or all of those other managerial aspects that take up time.

— **TELLAUANCE GRAHAM, ASSISTANT SUPERINTENDENT**  
Cedar Hill Independent School District, TX

“ Right At School gives our students endless opportunities to practice skills they're learning during the school day and also discover new passions. It's the perfect extension of our school day.
