So many options, which ones to explore!?

Never fret, and don't you fear, Summer Camp and Specialty Camps options are **NOW HERE!**

Use this planner as a way to help your family build the best summer with Right At School.

a place to **BE A KID!**

In this guide, we'll teach you the key terms, available options and how to bundle, and register for the **best summer ever.**

YOU'LL NOTICE A NEW TERM, "Specialty Camps"

What's that?

We're glad you're curious!

Specialty Camps are unique weekly camps focusing on a particular activity. That activity could be a sport, an art, science related etc. Each camp is different from the next and registration is required for each week and are separate from our full day Summer Camp.

**ENROLL IN SPECIALTY CAMPS,
FULL-DAY SUMMER CAMP, OR BOTH!**

No need to worry about midday pick up. Our full day Summer Camp will be held where Specialty Camps are hosted. That means evening pick up is the same place as morning drop off!

THERE ARE COUNTLESS WAYS TO BUILD YOUR CHILD'S SUMMER ADVENTURE!

To help envision the possibilities, take a look at what Emilio, Alexander, Juliet, and Justin have planned for this summer based on their interests!

Full Experience Summer Bundle Sample Schedule

Emilio

Emilio loves playing every sport! Gym class is his favorite class, and if it was up to him, it would be the only class. (He's going to be a soccer star! or maybe basketball. And the Olympics are this year so maybe curling?)

Anyways, he's so excited for summer because that means outdoor play **all day long!** There's no stopping Emilio – literally he's the fastest kid in his grade and never seems to run out of energy!

Alexander

Alexander is a huge fan of creating with his hands. As proclaimed by his 3rd grade teacher "a bright young artist with quite the imagination", All the paper figurines and popsicle stick towers and macaroni designs proved his passion and the journals of drawings are precious.

Alex is a little on the shy side and wants to make some new friends before the start of another school year. And this summer is going to be it!

Specialty Camps only Summer Bundle Sample Schedule

Juliet

Juliet likes everything from artsy things like coloring, and the expressive ways of dance to figuring out the science behind how something works and sharing 5 cool facts about it that you probably didn't know!

She's happy to learn it all, her parents also work from home and live close to the school. That means Juliet can get professional group instruction in the morning and choreograph a concert, draft a bestselling story, and build the best lemonade business on Main St, in the afternoon at home.

- No full day summer camp
- 1-6 weeks of Specialty Camps

- Drop off at 9:00am

Justin

Justin is excited to hang out with friends and have some fun! Justin loves kickball, story time with Ms. Lisa and making the messiest and biggest slime mountain ever in the world!

It might be summer break for kids, but not for parents. So while work is nonnegotiable 9-5, Justin is having a blast doing all the things that make him laugh and giggle. Sounds pretty great if you ask Justin.

Anime Manga Drawing Workshop * 10:00 AM start

Presented By: Young Rembrandts - Central Chicago

Why sit in front of the TV and watch cartoons when you can draw amazing characters and awesome scenes of your very own? Join us for five, action-packed days as Young Rembrandts hosts a wonderful Anime and Manga Drawing Workshop. Our students will create dazzling illustrations that are influenced by popular Japanese anime and manga themes. Colorful characters with expressive personalities jump off of the page. Our students will be delighted as we create drawings that emulate the popular anime and manga art styles. Don't miss out on an exciting opportunity to produce wonderful artwork. Sign up today! We will provide all class supplies.

WEEK 2

June 17 - June 21, 2024

No camp June 19

Sticky Fingers Cooking

Presented By: KIDS COOKING SHOWDOWN

Do your young chefs love watching cooking shows on TV? In this hands-on camp, young chefs will work together in cooking challenges inspired by favorite cooking TV shows such as Street Food, Nailed It!, and more! We will learn how to use different cooking equipment and techniques, explore flavor pairings, and create tasty mouthwatering recipes from scratch each day. Young chefs will get their creative juices flowing in this awesomely fun and exciting cooking adventure!

WEEK 3

June 24 - June 28, 2024

Crazy Chemworks

Presented By: Mad Science of Chicago

Shake up a flask of fun in the lab as a junior chemist! Campers learn to swirl, pour and mix like a scientist! Chill down and heat up at the atomic level as you change liquid to solid and back again. Learn how to handle laboratory tools, build and break molecules, and pick up some tricks on chemical changes with solids, liquids, and gases. Join us for a high-speed science experience!

WEEK 4

July 1 - July 5, 2024

No Camp July 4th

Super Soccer Stars

Presented By: Super Soccer Stars - Chicagoland

Our goal is to teach soccer skills in a fun, non-competitive, educational environment. Our philosophy is to use soccer to nurture, build self-confidence, and develop teamwork. Super Soccer Stars play-based camp experience offers kids the opportunity to combine movement and creativity in a skill-building, high energy camp.

**WEEK 5**

July 8 - July 12, 2024

Musical Adventures & Movement by ChicagoSMA

Presented By: Chicago School of Musical Arts

This week-long camp is designed for kids who are interested in learning an instrument but may still be deciding on the right one. Come join Chicago School of Musical Arts to get your child acquainted with the world of musical instruments! Campers will:

- Listen to, explore, and experience the beautiful and unique sounds of various instruments including ukulele, keyboard, voice, and percussion. Learn fun facts about these instruments and others.
- Move with us - learn how to express themselves through dance and movement.
- Practice and learn foundational skills, including developing focus and listening skills, building confidence towards performance, learning how to be a good audience member, being part of an ensemble with new friends and more.
- Explore all basic elements of musicianship, including beat, rhythm, and melody.

All instruments will be provided! We encourage campers to bring their own instruments, if they have one.

**WEEK 6**

July 15 - July 19, 2024

Summer Basketball Camp w/ Coach Tom & Team

Presented By: Tom Schweitzer

This week-long basketball camp is designed to provide a fun, creative, and constructive basketball camp experience for every participant. Campers will be divided into age and skill appropriate groups with the opportunity to learn, grow, and develop their basketball skills, both individual and team concepts. The camp will also include skill-focused games and contests as well as gameplay so skills are being applied in fun and game-like settings. Through their considerate and engaging approach, Coach Tom & Team are dedicated to providing a positive camp experience for every camper.

**WEEK 7**

July 22 - July 26, 2024

NASA Journey into Outer Space

Presented By: Mad Science of Chicago

Set your future space explorers on a trajectory from our Earth's atmosphere to the outer reaches of our solar system! This hands-on program brings them closer to the stars, planets, comets, and more. They learn about living in space, getting away from gravity, looking for space phenomena, and they participate in a rocket launch!

**WEEK 8**

July 29 - Aug 2, 2024

Robot Explorers

Presented By: RobotCity Workshop, LLC

This summer, "Robot Explorers" will focus on the different types of robots and non-traditional, clean, energy sources. Students will learn how to code, design, program, problem solve, create, and have fun using our reusable kits, designed to introduce students to the robots they will be building. They will learn the basics of robotics, electrical and mechanical engineering. Discovering the joy of making multiple D.I.Y. Robots they get to take home!

Register for Specialty Camps Today!

Hurry to sign up before your desired camps reach capacity. This summer, kids will explore more than the pool and the playground.
