# THERE ARE COUNTLESS WAYS TO BUILD YOUR CHILD'S SUMMER ADVENTURE!

To help envision the possibilities, take a look at what Emilio, Alexander, Juliet, and Justin have planned for this summer based on their interests!

Full Experience	Summer Bundle	Sample Schedule
 <p><b>Emilio</b></p> <p>Emilio loves playing every sport! Gym class is his favorite class, and if it was up to him, it would be the only class. (He's going to be a soccer star! or maybe basketball. And the Olympics are this year so maybe curling?)</p> <p>Anyways, he's so excited for summer because that means outdoor play <b>all day long!</b> There's no stopping Emilio – literally he's the fastest kid in his grade and never seems to run out of energy!</p>	<ul style="list-style-type: none"> <li>• Full day Summer Camp for 6 weeks</li> <li>• Specialty Camp for 6 week</li> </ul>	<ul style="list-style-type: none"> <li>• Drop off at starting at 8am</li> <li>• Join Full day Summer Camp</li> <li>• Transition</li> <li>• Sports Specialty Camp</li> <li>• Transition back</li> <li>• Full day Summer camp</li> <li>• Pick up by 6:00pm</li> </ul>
Mixed Experience	Summer Bundle	Sample Schedule
 <p><b>Alexander</b></p> <p>Alexander is a huge fan of creating with his hands. As proclaimed by his 3rd grade teacher "a bright young artist with quite the imagination", All the paper figurines and popsicle stick towers and macaroni designs proved his passion and the journals of drawings are precious.</p> <p>Alex is a little on the shy side and wants to make some new friends before the start of another school year. And this summer is going to be it!</p>	<ul style="list-style-type: none"> <li>• Full day summer camp for 6 weeks</li> <li>• Specialty Camps Week 1 and 4</li> </ul>	<ul style="list-style-type: none"> <li>• Drop off Starting at 8am</li> <li>• Join Full day Summer Camp</li> <li>• Transition</li> <li>• Art Specialty Camp</li> <li>• Transition back</li> <li>• Full day Summer camp</li> <li>• Pick up at 6:00pm</li> </ul>
Specialty Camps only	Summer Bundle	Sample Schedule
 <p><b>Juliet</b></p> <p>Juliet likes everything from artsy things like coloring, and the expressive ways of dance to figuring out the science behind how something works and sharing 5 cool facts about it that you probably didn't know!</p> <p>She's happy to learn it all, her parents also work from home and live close to the school. That means Juliet can get professional group instruction in the morning and choreograph a concert, draft a bestselling story, and build the best lemonade business on Main St, in the afternoon at home.</p>	<ul style="list-style-type: none"> <li>• No full day summer camp</li> <li>• 1-6 weeks of Specialty Camps</li> </ul>	<ul style="list-style-type: none"> <li>• Drop off at 9:00am</li> <li>• Other Specialty Camp</li> <li>• Pick up by 12:00pm</li> </ul>
Summer Camps only	Summer Bundle	Sample Schedule
 <p><b>Justin</b></p> <p>Justin is excited to hang out with friends and have some fun! Justin loves kickball, story time with Ms. Lisa and making the messiest and biggest slime mountain ever in the world!</p> <p>It might be summer break for kids, but not for parents. So while work is nonnegotiable 9-5, Justin is having a blast doing all the things that make him laugh and giggle. Sounds pretty great if you ask Justin.</p>	<ul style="list-style-type: none"> <li>• Full day summer camp only,</li> <li>• No Specialty Camps</li> </ul>	<ul style="list-style-type: none"> <li>• Drop off Starting at 8am</li> <li>• Join Full day Summer Camp</li> <li>• Pick up by 6:00pm</li> </ul>

June 24 - June 28, 2024

## Come Draw with Young Rembrandts!

**Presented By: Young Rembrandts Chester County PA**

Our camps are built to be fun, but children who participate in local Young Rembrandts programs increase academic skills, fine motor skills, social skills, hand and eye coordination and confidence. Our team is dedicated to ensuring your child receives the best art education possible. All our programs focus on the importance of drawing, and teaching everyone to discover their inner artist. Our weekly specialty camps expose our students to a wide variety of subject matter, artistic concepts, art history and mastery of their materials. Each session and each week will work on different projects, and we never repeat the lessons so that students who attend multiple camp sessions will always learn something new. In a typical camp session students will discuss and draw several styles, such as portraits, still life, pop art, anime, cartoons, and will work with a variety of coloring media that will include colored pencils, markers and pastels. Our goal is to get kids to like art and feel confident expressing themselves with the materials presented. Our timelines are not rigid - we aim to complete two drawing projects during a camp day or work on a larger more complex project, while teaching our students some artistic concepts and coloring techniques. No experience necessary, and all the materials are included.
