# What parents are saying about Right At School..

"Right at School at Hawthorne is a welcomed daily part of my daughters day. She loves attending to participate in activities, connect with friends and continue her school day. This is her 6th great year as a part of the program."

▮ BRAD P., PARENT, HAWTHORNE SCHOLASTIC ACADEMY

"Our daughter GLOWS about her RAS time, it's been such a great program. We need it as two parents, but feel so much better sending her at the tender age of 5 to a place that she loves after school. We are lucky to be a part of the after school club and look forward to it for many years,

and her brother will join in a few! :)"

▮ ERIN K., PARENT, JOHN M. PALMER ELEMENTARY

"Right at School is fantastic-- the kids have a great time, the staff who interact with them all foster a sense of community. We have had such a positive experience and keep coming back."

▮ RACHEL A, PARENT, NETTELHORST SCHOOL

"I have loved the RAS family at my child's school. They care for each kid as though they're their own, and engage with them on so many different levels."

▮ CASEY M., PARENT, PULASKI INTERNATIONAL SCHOOL

"The RAS staff has made an effort to get to know each and every child as individuals. They truly know my son, they have worked to learn what motivates him, and they are always rooting for him to succeed. I have heard this from countless parents in our school and it is the reason I feel good about leaving him in their hands each day."

▮ BRIDGET V., PARENT, PULASKI INTERNATIONAL SCHOOL

"Amazing!!! It's the best balance of after school care, educational, fun/joy for my kids. The program staff is what keeps us coming back because they provide an amazing part of our school experience."

▮ RACHEL A, PARENT, NETTELHORST SCHOOL

**"The RAS staff have become a positive part of our school culture. They're child-centered, the program is just about 100% turnkey, and they have over-delivered from the very first day."**
