Dear Families,

We are excited to announce a new partnership with **Right At School**, a nationally recognized school enrichment provider, for before and after school care at Battle Ground's primary schools and Amboy Middle. Starting in the fall of 2021, **Right At School** will offer the program to students in kindergarten through eighth grades.

For those families who wish to participate in this program, it will be available from 6:30 a.m. until 6:00 p.m. every day school is in session. Families will be able to work with **Right At School** to create flexible monthly schedules to support their busy lives. Just create your own monthly schedule by choosing 1, 2, 3, 4, or 5 days per week. Drop-in care as well as punch cards are also flexible options, and **Right At School** will be available during breaks, non-school days, and summer.

**Right At School** provides families flexibility in enrollment options and a comprehensive enrichment curriculum to keep students engaged while they participate. Students will have a healthy snack, engage in dynamic fitness activities, student-driven projects, team building, leadership development, and have the opportunity to complete homework. The program also features an enriched curriculum in the form of two-week units. Examples of units include: *State of the Art*, where students explore some of today's biggest names in art for inspiration and create paintings, sculptures, and the like; *Right Club Castaways*, where students will use their outdoor survival skills, including shelter-building, tool-making, and harnessing Mother Nature's power to become the ultimate outdoor adventurers; and *Variety Show*, where students will experience all of the elements of putting on a polished performance, like rehearsing, marketing, becoming an emcee, and taking to the stage for a memorable night with family and friends.

**Right At School** is hosting a virtual "Family Information Night" to provide an overview of their programs, to answer questions, and to interact with you.

**Date:** Wednesday, March 31, 2021

**Time:** 6:00 – 7:00 p.m.

**Information:** Presented via Zoom
