AMAZING MINDS

BY:

AMAZING MINDS

The Amazing Minds curriculum is thematic based, incorporating the core academic areas. Our program is centered around Piaget's theory of "learning by doing," and our hands on format allows our goal to be achieved- to instill in each a child a love of learning, by making learning FUN! Whether the topic is the Animal Kingdom, China, or Space (20 topics in all!), mixed with math, science, reading, dramatic play and art, this educational enrichment is a class you do not want your child to miss! TOPICS CHANGE EACH SESSION AND EACH SCHOOL YEAR!

CHESS CLUB

BY:

GM CHESS ACADEMY

This very popular club is for beginners and experts, Kindergarten through fifth grade. Beginners learn the fundamentals of the game. Experienced players learn essential strategies and tactics necessary for successful, winning chess. Our instructors have years of experience teaching scholastic chess to beginners, intermediates, and experts. They use an entertaining and challenging question and answer format to encourage children to participate and form their own ideas. Students will be encouraged and prepared to participate in local and state chess tournaments.

CHESS EXPLORERS

BY:

CODEADVANTAGE

Welcome to Chess Explorers, a fun and engaging course designed for students in grades 1–5! Whether your child is new to the game or looking to sharpen their skills, this program introduces the timeless strategy game of chess in a supportive and age-appropriate environment.

Each weekly session combines interactive instruction, guided practice, and exciting game play to help students develop

critical thinking, problem-solving, and sportsmanship. Students will learn how to set up the board, understand how each piece moves, and explore basic tactics and strategies, including check, checkmate, and openings.

By the end of the course, students will have the tools and confidence to play a full game of chess, challenge their peers, and continue their journey as budding chess masters!

CIRQUESEXPERIENCE WHEELJAM CLUB **BY:**

CIRQUESEXPERIENCE

The wheel is a low-impact sport for all. During the beginner classes, students experience the basics of a wheel in a playful and fun way.

Balancing, rolling, learning the essential elements of wheel gymnastics by themselves and with a partner.

Participants will be introduced to the basics of the wheel –

the foundational tricks that wheelers need to know to roll for fun or begin competing and performing. They will learn the basics of rocking and balancing, tricks with belts (rolling upside down and all the way around), and without belts. As they gain confidence in their wheel tricks, they will learn sequences for performances and beginner competitions. They will also work on fun tricks with partners and learn to look out for and care for their wheel mates.

GET CRAFTY KINGSLEY! (TUES & WED)

BY:

LET'S CRAFT IT!

Have a kiddo who likes to create and get messy with their hands? Then Get Crafty! is the perfect class for them. Evanston's own Let's Craft It! (and Washington mom, Samira Taher Kolb), is partnering with Right at School to offer this unique after-school elective. Kids will make cool crafts based on a different theme each week (from current cultural celebrations to seasonal changes), using mixed media and differing techniques. It'll be fun, a great way to unwind, plus get their creative juices flowing! (Note: All proper school guidelines about Covid safety will be in place).

MARTIAL ARTS BY CONNELLY'S ACADEMY BY:

CONNELLY'S ACADEMY OF MARTIAL ARTS

Grandmaster Connelly is one of the most experienced and respected martial arts instructors in Chicago and the North Shore. He and his team of experienced martial arts educators have been providing fun, safe, and age-appropriate classes to our schools for over 30 years. His programs have had success in building confidence and motivating children to be respectful, responsible and resilient. Personal leadership and mutual respect form the foundation of his programs. Grandmaster Connelly and his team make learning martial arts fun, engaging and challenging, all the while building confidence, resiliency and personal leadership. This

program teaches goal-setting and persistence, helping each child reach his or her personal best through the study of classical martial arts.

Uniforms are not required for beginners. Uniforms may be purchased via our website. If not wearing uniforms, kids should wear loose, comfortable clothing. Belt promotion testing opportunities – where kids can advance in rank and earn a higher belt color by demonstrating what they have learned in class – are offered for qualified students in class. The belt-advancement testing fees start at \$35. Partial test scholarships are available.

MUDLARK THEATER'S ACT TWO: STORY CREATION

BY:

MUDLARK THEATER COMPANY

Want to see your young artist's imagination come to life? Join Mudlark Theater for ACT TWO: STORY CREATION, designed to empower young artists to work together and imagine boldly! This class will be all about how we take big ideas and put them on stage. Each young artist's unique skills and creative instincts will be highlighted through improv games, then used to turn their own original ideas into devised scenes and skits. This class will end with an Open Classroom where friends and

family will get to see what new work we have explored during this session.

ACT TWO: STORY CREATION will build upon what was learned in ACT ONE: DRAMA DEBUT, but can also be taken independently. This class will create foundational skills for ACT THREE: SHOWTIME! this Spring.

SOCCER STARS

BY:

SOCCER STARS CHICAGO

Skills. Confidence. Play with Purpose. Soccer Stars is an exciting, high-energy soccer program designed for students in Kindergarten through 5th grade. With a curriculum that balances fun, skill development, and teamwork, this class is perfect for both beginners and young athletes looking to grow. To ensure developmentally appropriate instruction, students will be grouped by grade level during class: K–1st Grade: Focuses on the fundamentals of movement and soccer through creative games and imaginative play. Coaches use a fun, non-competitive approach to build

balance, coordination, and ball control while sparking joy and confidence. 2nd–5th Grade: Emphasizes soccer technique, teamwork, and game strategy. Through structured drills, engaging challenges, and small-sided scrimmages, players build strong fundamentals, confidence, and leadership skills. All sessions are led by energetic, trained coaches and include a dynamic warm-up, skill-focused activities, and game-like play. Whether your child is just starting or ready to level up, Soccer Stars delivers a positive environment where kids learn, grow, and love the game.

VOCAL ENSEMBLE: POP, ROCK & MUSICAL THEATER

BY:

CHICAGO SCHOOL OF MUSICAL ARTS

In this high energy voice class, students will learn a variety of songs together in a group and have the opportunity to improve their vocal performance skills. This includes learning about good posture, breathing technique, clear vocal production, tonality and pitch, beginning music theory and acute listening skills. It's important that the students listen to one another and encourage and support one another. This will enable them to sing better as a unit. Singing has been shown to improve confidence; and as a result, some may have the desire to sing solos! We will empower the students, so that they will feel free to share their unique personalities through singing.
