IMPACT KIDS YOGA

BY:

IMPACT KIDS

The Yoga program is designed to enhance students' physical and mental well-being. Through guided yoga practices, students will improve their flexibility, balance, and strength while learning techniques to manage stress and cultivate a calm mind. Our classes incorporate playful elements and age-appropriate yoga poses, making it an enjoyable experience for all participants. This program aims to foster a lifelong appreciation for wellness and self-care.

COOL'INARY COOKING CLUB

BY:

**STICKY FINGERS COOKING
(CHICAGOLAND)**

It's THYME to TURNIP the BEET on what kids EAT! Our interactive classes make cooking fun and deliciously educational. Kids will enjoy tasty, healthy recipes while learning S.T.E.A.M., culture, language, geography and more! Led by experienced Chef Instructors, we ensure all allergies are accommodated, and recipes are always nut-free. Explore our weekly recipes and join us to WHIP up some culinary fun all year. Perfect for children of all ages!

PIANO & VOICE WORKSHOP

BY:

**CHICAGO SCHOOL OF
MUSICAL ARTS**

Enjoy the fun of being a musician and creating your own songs in this fun and engaging class. Incorporating music theory fundamentals, piano technique, and vocal training, students will learn to sing and play, as well accompany each other. Students will learn using songs of their choosing with opportunities for original composition. Keyboard not included. We suggest purchasing Casio 44-Key Portable Keyboard (SA-81) and headphones for class (can be purchased on Amazon).

IMPACT KIDS CODING

BY:

IMPACT KIDS

The Coding program introduces students to the fundamentals of computer programming using age-appropriate languages and tools. Through engaging projects and challenges, students will learn how to write code, debug programs, and think logically. Our instructors emphasize creativity & innovation, encouraging students to develop their own projects and explore the exciting world of technology. This program aims to build essential skills for the future & inspire a passion for coding.

MULTI-SPORT MADNESS

BY:

LEGACY SPORTS CAMP

Multi-Sport Madness is packed with fun games, sports, and activities that will keep your child active and engaged, while also teaching important values like sportsmanship, respect, and the benefits of exercise. Each week, students will play a variety of sports and games, including tag, dodgeball, soccer, and kickball as well as our exciting Legacy games like Hand Hockey, Connect 4, Treasure Island, Pinners, and Battleship. These games are not only a blast to play, but they help to develop hand-eye coordination, agility, and teamwork while getting plenty of exercise.

CHESS SCHOLARS

BY:

**AFTERSCHOOL ENRICHMENT
SOLUTIONS**

Develop your child's intellect through the royal game of chess! Current research has shown a strong link between chess and academic performance in a variety of areas, including mathematics and language arts. Chess has been proven to enhance children's motivation, concentration, focus, social skills, and creativity. Each class will consist of a fun, interactive teaching period and guided practice time. Both beginner and experienced players are welcome and will learn under the guidance of an experienced Chess Scholars coach.

SCIENCE MADE FUN STEAM CLUB!

BY:

HIGH TOUCH-HIGH TECH

Join High Touch High Tech's real scientists for an engaging after school STEAM club. Each day we meet we will cover new topics in science to where your future scientists gets to do all the experiments themselves. From dissections, to exploding volcanoes & geyser tubes, to even making T-rex tooth fossil imprints. Each day is entirely hands-on and exciting! At the end of each club we have take home experiments relating to what we covered in club. So get ready to be inspired, get a chance to explore and engage in the wonderful word of STEAM with us. For more information visit our website at www.Sciencemadefun.chi.net. Or give us a call at 630.227.4848.
